Sir:

The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449. One copy of each of these documents is attached.

Japanese U.M. Application (Kokai) Pub. No. S62-69466 relates to a sealing lid in a food packing container which is composed of a thin film 3 covering the open top of a heat resistive container and a sealing piece 5 detachably adhered to a vent portion 4 formed in said thin film.

Japanese U.M. Application (Kokai) Pub. No. S63-156978 relates to a food packing body for cooking food by microwave oven, which body is composed of a container 3 having a hole 4 for allowing the vapor therein to vent and a valve sheet 5 applied to said container. Said valve sheet 5 is applied thereto by a low melting point adhesive which is spread from the periphery of the hole 4 to the outer edge of the valve sheet 5.

No fee or certification is required in connection with this Information Disclosure Statement, since it is being submitted prior to the issuance of a first official action on the merits

or expiration of the three month period following the filing date or the entry of the national stage of the above-captioned application.

The above information is presented so that the Patent and Trademark Office can, in the first instance, determine any materiality thereof to the claimed invention. See 37 CFR 1.104(a) concerning the PTO duty to consider and use any such information. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the documents cited in the attached Form PTO-1449 be made of record therein and appear on the first page of any patent to issue therefrom.

The Commissioner is authorized to charge our Deposit Account No. 01-2340 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully submitted,
